

A high-contrast, black and white photograph of two dark, cylindrical objects standing side-by-side on a light-colored surface against a dark background. The objects are completely black, with no visible details or textures. The surface they stand on is a light, grainy grey, and the background is a dark, textured grey. The lighting is very dramatic, creating a stark contrast between the dark objects and the lighter surface.

A high-contrast, black and white photograph. The lower half of the image is dominated by a dark, almost black, textured surface that appears to be a book cover or a piece of heavy fabric. This surface has a vertical crease or fold running down the center. The upper half of the image is a bright, grainy, and noisy white area, creating a stark contrast with the dark foreground. The overall effect is abstract and dramatic.

TOP SECRET

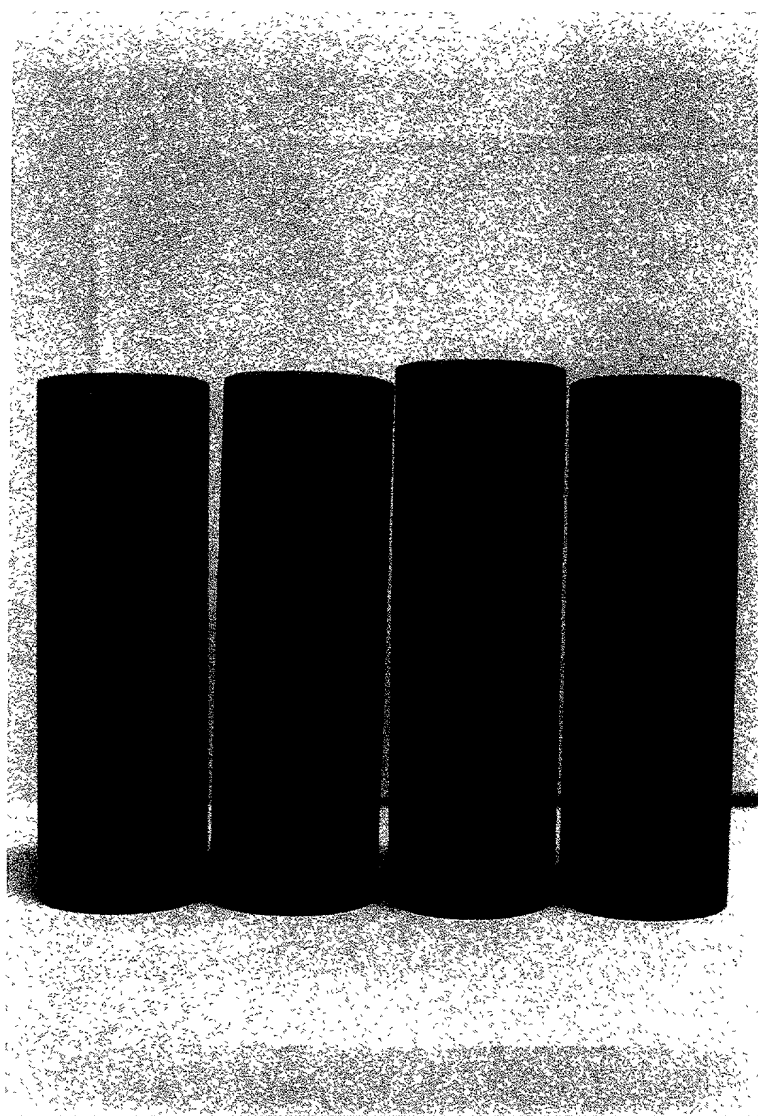

Figure 3

A high-contrast, black and white image showing a dark, textured surface, possibly a book cover or a piece of paper, with a lighter, grainy background. The dark area is irregular and occupies the lower half of the frame.
